Howard,

I will send you six CD's in case you think of additional folks to give them to. Those will be in the mail today. The January Boulevard CPG meeting was held last Thursday evening (1/2/14) which Mindy and I attended. Staff, along with the applicant and their consultants, will also be attending the February 6, 2014 Boulevard CPG meeting to make a more detailed presentation regarding the Soitec EIR. Staff may also be conducting an all-day field visit on that date at Donna Tisdale's request. We have yet to work out the details for that visit.

Mindy will give you a call regarding your request for our attendance on January 28, 2014.

Thanks,

Robert and Mindy,

Thanks Robert for your prompt reply. Yes please put me (Chair of the Jacumba Sponsor Group) on all of your notices and correspondence regarding The Soitec and the Tule projects. Yes I would like 3 of the CD Roms on the EIR. I have accessed on the internet, but many of our people out here don't have access.

I am also interested in the Boulevard public meeting this month. Is it scheduled?

Beyond that, may I put you on our next Sponsor Group meeting January 28, 6:00 at the Jacumba Library?

Thank You,

Howard W Cook

Hi Howard,

I received your phone message regarding noticing of the public review period for the Soitec Solar Development project. Attached is the legal ad/public review notice which contains webpage links to the project documentation; however, I am also including those links here:

Soitec environmental documentation can be found at the following link:

<http://www.sdcounty.ca.gov/pds/ceqa/Soitec-Solar-EIR.html>

And Administrative Record documents can be found at:

[http://www.sdcounty.ca.gov/pds/ceqa/SOITEC_SOLAR_DEVELOPMENT ADMINISTRATIVE RECORDS.html](http://www.sdcounty.ca.gov/pds/ceqa/SOITEC_SOLAR_DEVELOPMENT_ADMINISTRATIVE_RECORDS.html)

In addition, two hard copies and four CD-ROMS of the Draft Programmatic EIR, grading plans, and plot plans were delivered to the Jacumba library last Thursday. Please be aware the public review period is scheduled to end on February 17, 2014.

I will also place the Jacumba CSG on the notification list for future hearings or additional notices concerning the project.

I will discuss your request with Mindy Fogg regarding our attendance at a future Jacumba CSG meeting.

Please let me know if you have any questions or would like to receive copies of the CD-ROM.

Thanks,
